Building the Future One Element at a Time

The WSTEM Periodic Table of Innovation

WSTEM is creating a **large-scale, museum-quality Periodic Table of Innovation** in the foyer of our new school. Each element represents a skill, value, or character trait that defines who our students will become and each element can be sponsored by a donor.

When you sponsor an element, your sponsorship becomes part of the daily experience of every student who walks through our doors.

Every tile will feature:

- Donor name or personalized dedication
- Color indicating donor level
- Element Symbol (ex: CR, EN, FR)
- The full word or phrase

The final installation will display:

clear element tiles with colorful lettering, corresponding to each donor level.

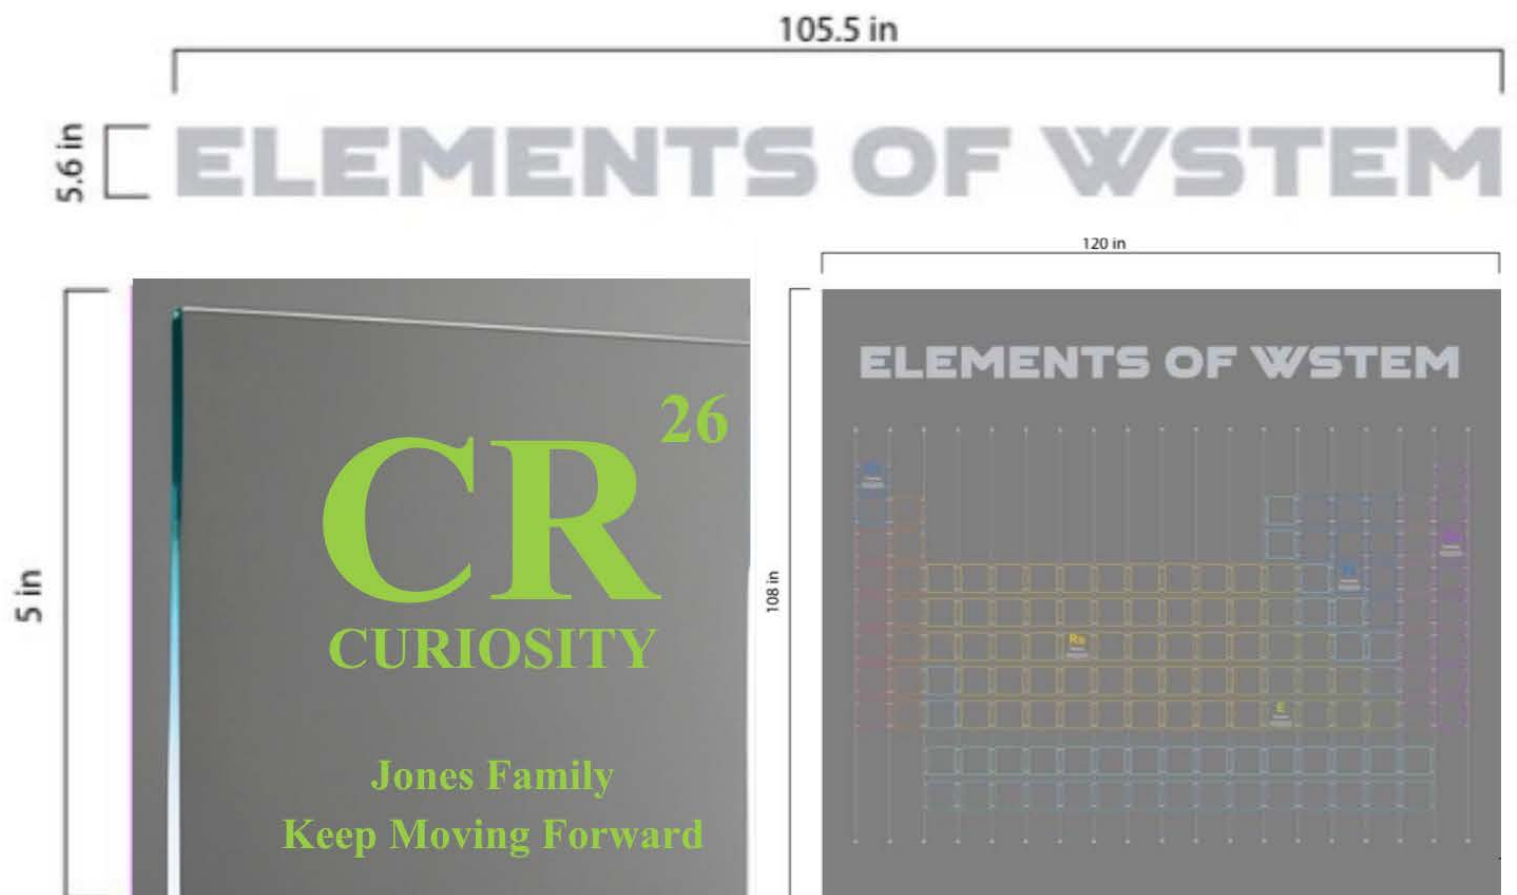

Donor Level

Investment

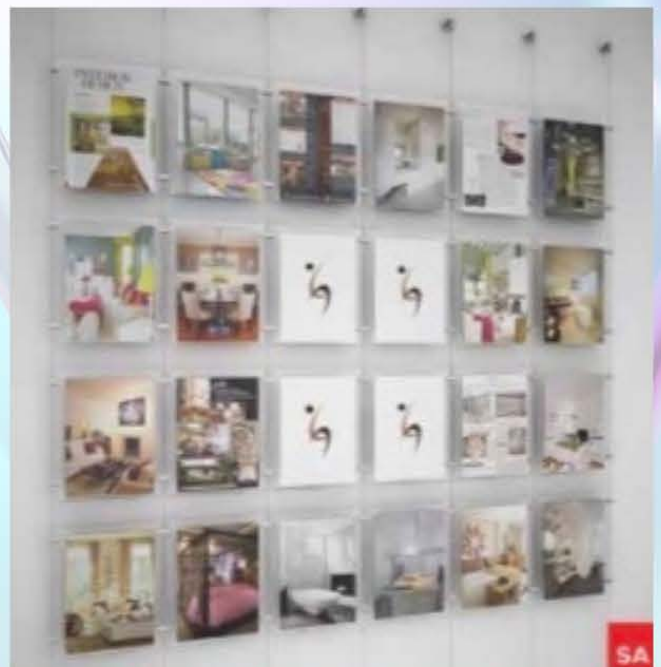

Best For

● Core Elements	\$500	Everyone Prospective Families
● Foundational Elements	\$1000	Current Families, Coworkers, Small Businesses
● Catalyst Elements	\$2500	Community Partners, Alumni, Family, Local Businesses
● Legacy Elements	\$5000	Corporations, Close Relationships
● Visionary Elements	\$10,000	Foundations Anchor Partners
● Transformational Elements	\$25,000+	Founding Partners Corporations

Our Vision:

This **new** WSTEM wall installation will display: clear element tiles with colorful lettering, corresponding to each donor level.

CHOOSE YOUR ELEMENT

Which **WSTEM value** do you want your name attached to for the next 50 years?

Your sponsorship becomes part of the daily experience of every student who walks through our doors.

Thinking Skills

CR – Curiosity
PS – Problem Solving
LG – Logic
EV – Evidence
IQ – Inquiry
OB – Observation

Noble Elements

S- Seek Answers
P- Perseverance
A- Adaptability
R- Resilience
K- Kindness

STEM Disciplines

CS – Computer Science
EN – Engineering
DS – Data Science
RB – Robotics
TP – Tinker & Prototype
EL – Experiment & Learn

Future Skills

IN – Innovation
CY – Creativity
ET – Ethic

Community & Values
